DECO ART PANELS

PEOPLE'S MOST POPULAR PICKS

Style. Strength. Versatility.

Key Highlights

Enhance spaces with a perfect blend of contemporary design, privacy, and ventilation. Ideal for both indoor and outdoor applications, adding character while maintaining openness.

Material & Build

UV-stabilized polypropylene construction, moulded in a single piece for superior strength, durability, and fade resistance in outdoor conditions.
Sizes: 2410 × 1205 mm | 1800 × 900 mm

Strength & Durability

Resistant to moisture, corrosion, and harsh environmental conditions including coastal humidity and extreme temperatures. Will not rust, rot, or degrade over time.

Applications

Decorative panels for residential and commercial spaces, enhancing aesthetics while allowing openness and airflow – ideal for partitions, facades, balconies, pergolas, interiors, and landscape elements.
